

Earthin-Park

Earthin-Park is the best underground city in the world the people have ever loved.

*The mineral water of the rock in the city is very big, it's the reason **of many mineral spring***

*The air quality of the city is surrounding for **the person who doesnt those a big heat.***

People who can't bear the big heat

A mineral spring

Earthin-Park

Earthin-Park is a luminous city too because *the many skylight are dissimuled everywhere.* The *habitant of Earthin-Park has not like* when it's dark.

There are many skylights hidden everywhere

The inhabitants of Earthin-Park don't like

skylight

Earthin-Park

We make available for the visitors and the residents, *many walk's roads and bike's roads and many electric bus mainly for the worker.*

We have*d* mainly jobs *in* the entertainment *also* *the* regular job's in a city. *Exemple / such as :*
Barman, Banker, restaurant owner...

Many walking and cycling paths. There is also an important electric bus service for the employees.

Earthin-Park

Why Earthin-Park is *exceptionnal* *exceptional*, it's
because in the city you can find everything you
want
