

The city of sky

The city of sky

My city was **making** made **on a cloud**, in the clouds.

There are plant **grows** growing on the towers and the windows of my towers are **mirrored** mirrors.

The materials **s** used for the towers is **marbre** marble.

- **The balcony** **Balconies** of the towers **has** **have** a star shape ,and the top of the towers looks like a **flowers (lotus)** **lotus flower**.

- **The** **At** night the towers of my city are illuminated **a** **by violet** **purple** **blue** **and** **white** colour.
